Israel Under Fire- Iron Swords

Emergency Support for Israel's Citizens

October 2023

THE JEWISH AGENCY FOR ISRAEL
הסוכנות היהודית לארץ ישראל

Since October 7th:

Over 1,000 Israeli men, women and children have been murdered. As many as 150 Israelis are being held hostage by terrorists according to reports. Thousands of rockets have been fired into Israeli cities and towns. More than 2,600 Israelis have been injured.

*These are current formal figures, and unfortunately, could continue to rise.

The Fund for the Victims of Terror

- The Fund for Victims of Terror (FVOT) is the first responder for families and individuals impacted by terror.
- Immediate grants within 48 hours of a direct attack
- Offers long-term rehabilitation grants for post-trauma care
- Collaborates with Social Services, Hospitals, and Municipalities.

Amigour: Caring for Israel's seniors

We provide housing to Israel's most vulnerable at 57 sheltered living complexes throughout Israel. Amigour primarily serves the elderly—many of whom are Holocaust survivors—new immigrants and single-parent families.

Amigour: Caring for Israel's seniors

- **Approximately 5,000 residents in Southern (2,617) and Central (2,337) Israel regions.**
- **Aging residents are unable to reach shelters during sirens, requiring extended staff hours to assist them**
- **We are supplying food packages and essentials directly to residents in need.**

Shelter Renovations

Today's brutal attacks re-emphasize the need to upgrade and improve shelters at our absorption centers and Amigour housing facilities to protect the residents.
